

Examples of how to draw the neural pathway (please do not copy)

You create your own model which can be literal (showing actual neurons) or metaphoric (depicting other objects acting in the manner of neurons), but must accurately depict the flow of information.

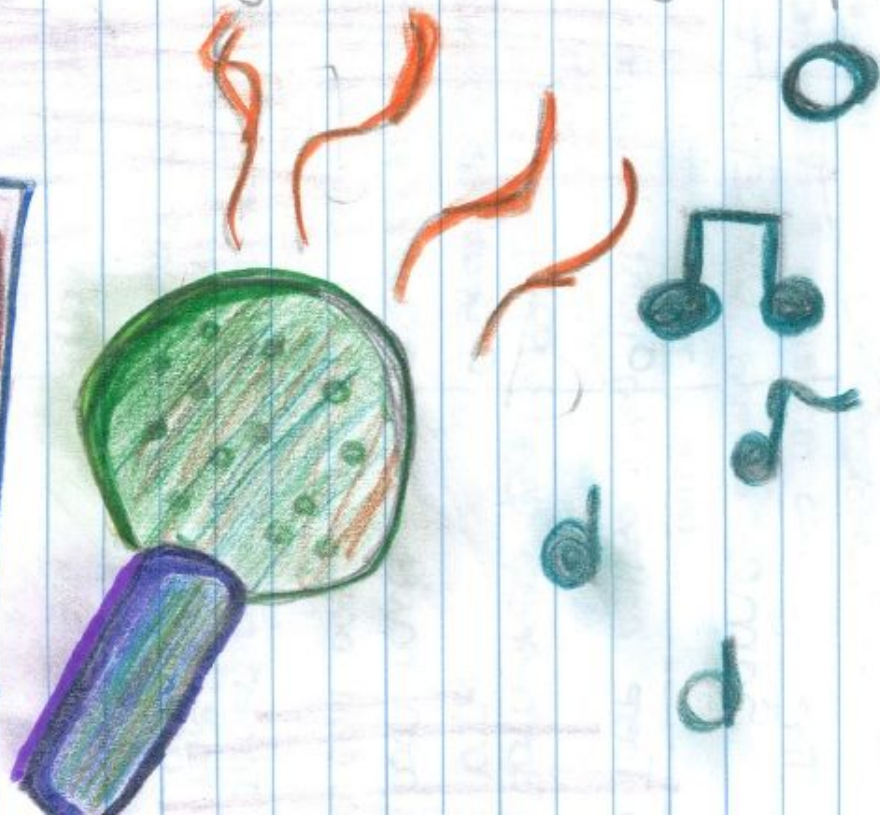

Eggnog

oh no!

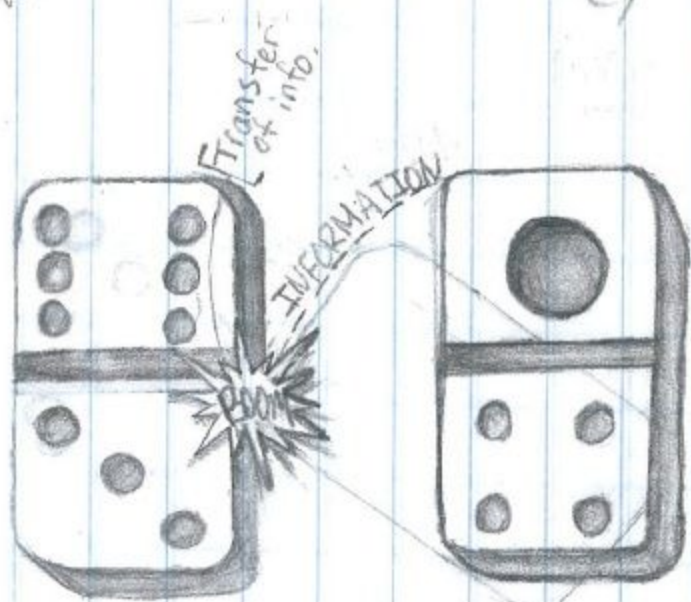

You write a song
You sing the song, and then other
people sing the song and keep passing it on.

NEURON PATHWAY:

The Chain Effect
